

Drums

If anyone CAN - we CAN!

Drums

Pirlo drums for food or chemical products

The benefits of drums „made by Pirlo“ at a glance:

- Stackable, top shelf with perforation and metal handle or plastic folding handle
- Wide product range of drums
- Special programmes for drums of edible oil in various volumes with plastic spouts
- Good residual emptying, resealability and tamper seal
- Different top end perforations (DIN-opening and REL-opening)
- With and without hazardous goods certification
- Various closures/spouts (child protection)
- Also available with embossed warning sign

Our experts will be happy to help you with any questions you may have pertaining to drums. Special can sizes are possible on request.

Legend

- = Standard (samples available)
- ▲ = Standard UN hazardous goods certificates (hazardous goods packaging, send samples for UN hazardous items without certificates)
- △ = Special sizes, samples and minimum quantities on request
- = Stock items (grey) also in smaller quantities available
